Greetings from the Lord Mayor of Cork

Dear Friends and Visitors,

It is my privilege as Lord Mayor to extend to you on behalf of the citizens a sincere welcome to our First Irish National Veteran Motor Cycle Rally.

I sincerely hope you will take away from our City of Cork a fund of happy memories that will entice you to re-visit us in the future. You are all very welcome indeed and I trust that all will enjoy the traditional hospitality of the City and the charm of its people.

I take this opportunity to convey my sincere thanks to the organising committee of this Rally as well as to each competitor.

May I say, on behalf of the citizens of this ancient and historic City as well as on my own behalf, how happy we are to have you all here and may it be for you an occasion of happiness and joy.

Alderman Pearse Wyse, T.D.
LORD MAYOR.

A Message of Greeting from our Club President

It is with the greatest of pleasure that I welcome to Cork the members of the many Clubs competing in our First Irish National Veteran Motor Cycle Rally. To our visitors from Overseas and Northern Ireland who have travelled so far to support the event I extend a very special welcome.

It is my sincere wish that this event, now in its infancy, will grow bigger and better with the years.

We in this Club are indebted to each and every competitor for his support. I wish you all a very happy and enjoyable week-end and I look forward to the pleasure of meeting you again in 1968.

Tom Murphy,
President, Munster Motor Cycle & Car Club, Ltd
