### **The Advertisers in this programme**

We offer a very special thanks to our Main Sponsors:

## **MURPHY'S BREWERY, CORK**

And last, but by no means least, to the competitors from far and near, without whom there would be no Rally.

---

The machines listed in this programme provide unique opportunity to study the development of the motor cycle from its infancy to the fully grown up machine of to-day.

Most of the details of the machines and riders have been supplied by the riders themselves. The Munster Motor Cycle and Car Club, whilst confident of the knowledge and modesty of the competitors, cannot accept responsibility for the accuracy or otherwise of the information.

Neither can the Club accept responsibility for any accidents injury or damage to spectators. Please give the riders plenty of room at all times, especially when they are starting their machines by the time honoured "run and bump" method.

## *President's Welcome*

*On behalf of the Munster Motor Cycle & Car Club and myself, it gives me great pleasure to welcome you our competitors to this 30th National Vintage and Veteran Motorcycle Rally.*

*Over the past 30 years this event has gone from strength to strength, and in my opinion is an international gathering rather than a national one.*

*As everyone knows motor sport in any form today is becoming more and more expensive and therefore sponsorship is vital. We are lucky in having Murphy's Brewery and Cork and Kerry Tourism as our long time sponsors. We thank them for their efforts in the past and look forward to an even greater future.*

*There would be no event without you our competitors, and my wish is that all of you enjoy this our Rally and take home with you happy memories of your visit.*

### **CAUTION**

*Motor Sport in any form is dangerous so be careful.*

President Munster Motor Cycle & Car Club
