WELCOME

It is my privilege as President of The Munster Motor Cycle and Car Club to extend a very cordial welcome to the Competitors, Visiting Judges, and Spectators who have come to the Sixth National Veteran Motor Cycle Rally.

This Rally, in the space of five short years, has become one of the outstanding gatherings of Veteran and Vintage Motor Cycle owners and enthusiasts. We are especially happy to welcome many who now have become old and close friends and the new visitors who will for the first time experience our hospitality.

We in this club are fortunate in having a band of hard working officials, who have spent days and weeks of patient preliminary work. It is a tribute to their smooth efficiency that the rally has become so popular, let us not forget them, they are very welcome within our club.

Welcome also is the assistance given to us in so many forms, Prizes, Cash and Facilities by various Firms, Organisations and indeed Individuals. I extend a very sincere thanks, on behalf of the club, for all this assistance, which is so essential to the running of this event.

Our National Rally has become truly International in all but name, in as much as our welcome extends to the many entries who have travelled from England, Wales, Northern Ireland, Denmark & Holland.

Our welcome extends to them this year and in the years to come.

T. FOLEY, President,
Munster Motor Cycle and Car Club.

Acknowledgements

The Munster Motor Cycle and Car Club most gratefully acknowledge the valuable assistance of the many firms and individuals who contributed so much, thus making it possible for us to have a Sixth National Veteran Motor Cycle Rally. For all the help and assistance we offer our most sincere thanks.

To MOBIL OIL COMPANY (IRELAND) LTD,
the main sponsor of this Rally, we offer a
very special THANK YOU.

And last but by no means least, to the competitors, without whom there would be no Rally.

The machines listed in this programme provide a unique opportunity to study the development of the motor cycle from its infancy to the fully grown up machine of to-day.

Most of the details of the machines and riders have been supplied by the riders themselves. The Munster Motor Cycle and Car Club, whilst confident of the knowledge and modesty of the competitors, cannot accept responsibility for the accuracy or otherwise of the information.

Neither can the Club accept responsibility for any accidents injury or damage to spectators. Please give the riders plenty of room at all times, especially when they are starting their machines by the time-honoured "run and bump" method.

Greetings from the Lord Mayor of Cork

National Rally Week organised by the Munster Motor Cycle and Car Club Limited has now become an accepted part of the local scene in Cork.

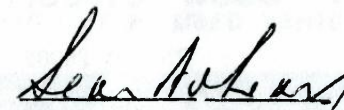

The interest which it creates among the local people is a tribute to the Organisers and also an indication of the deep interest in old motor bicycles which is inherent in every one of us.

I would like on behalf of the citizens of Cork, to welcome all the visitors to this Rally Week irrespective of where they come from. I hope that you will learn during your stay that the people of Cork welcome visitors equally from all parts of the world.

I wish your National Rally Week every success and look forward to starting one of the functions on September, 23rd. next.

With every good wish.

Yours sincerely,

Lord Mayor

Lubrication – Service – Repairs

We are proud of the fact that many people take satisfaction in using our service. We can cope with practically anything, from the modest memo to an ambitious brochure in colour. Our printing machines give crisp, clear copies of line drawings, half tones, typed or printed matter in almost any size on any paper thickness from airmail to card. To back up superb printing our Finishing Department can punch, staple, bind in spiral plastic and trim to the finest edge. The colour illustration above is a sample of the fine work we can produce; whether it be 50 runs or 20,000 each job is treated the same, we guarantee satisfaction. It is our policy to provide Top Quality, Quick Service and Competitive Prices. Avail of our Print Advisory Service. If you have a printing problem, need advice on design or seek a quotation call (021) 25449. We will gladly solve your problem and call on you personally if necessary.
