JP FROST ARCHIVE

We wish to draw your attention to the above motorcycling memories that are on the Club website:

www.munstervintage.com

These include newspaper reports, photos, period documentation, permits etc of motorcycling activities that occurred **over 100 years ago** on the roads and territories familiar to today's Irish National Rally entrants.

Enjoy the read.

Note: Hovering the cursor over a clipping will enlarge the print, hopefully aiding reading and easing eye strain!

The start of the 24-Hour Motor Cycle Trial, Dublin and District Motor Cycle Club, from Parkgate Street, Dublin, to Donegal and back. This is considered one of the most important events of the Dublin season, and forms a trial of unusual severity. Picture shows - Mr & Mrs Frost, of Cork, on a A.J.S. These enthusiasts came all the way from Cork to take part in the trial.

A WELCOME TO THE 56th RALLY

On behalf of the Munster Vintage Motor Cycle & Car Club, the Rally organising committee and myself, it gives me immense pleasure to welcome you all, to this, our 56th Irish National Motorcycle Rally.

I would like to thank you all for entering and extend a warm welcome to all our regular entrants, to those who have travelled from overseas to get here, and a special welcome to our first-time entrants.

We appreciate the time and effort it takes to get here and we hope that your efforts will be rewarded by an enjoyable event.

Heineken Ireland continue to be our main sponsor. I would like to take this opportunity to thank them, and I also ask you to support them, not alone during the Rally, but throughout the year.

I would like to take this opportunity to thank the organising committee and all involved in the organising and running of the event for their time, effort and commitment.

I would also like to thank Mark Bowe, the staff of the Castlerosse Hotel, and the staff of all the Hotels we visit for their continued support and their hospitality.

ROAD SAFETY:

Finally, we ask you to pay attention to Road Safety, abide by the rules of the road, obey speed limits and be extra vigilant with regard to other road users, particularly agricultural machinery and pedestrians.

The organisers have endeavoured to make the route as safe as possible.

We ask that each of you ride carefully and exercise caution when asked to do so..

Keep to the left side if possible, especially if travelling in convoy.

Please note the contact numbers on your book of tickets and on your route sheets. If you are in need of assistance, contact the breakdown team noting your position and/or junction number as on the route sheet.

Wishing you all a safe and memorable rally in 2024

Safe Riding
